

Finishing Plate for Round Balusters

Product # HR14051303812

DESCRIPTION

Round Finishing Flange

Stainless steel trim piece for round baluster
This trim will complete your baluster post installations with a touch of elegance and will ensure harmony with all the more traditional projects.

ADVANTAGES AND BENEFITS

Ideal for architectural projects such as the installation of stairs and railings with cable, rods or glass. A glue strand during assembly helps to solidify and better secure the connection between the components.
