

## Hanger bolt

**Product #** HZ14112VP

**Screw Size** 1/4

**Thread Count (Pitch/TPI)** 20

**Length** 1 1/2 in

**Packaging format** Box of 25

### DESCRIPTION

#### Zinc

Table hanger bolts have, at one end, threading for insertion and, at the other end, threading to receive a nut. Once the insertion end is embedded in the wood, the exposed part provides a connection for screwing.

### ADVANTAGES AND BENEFITS

- Hanger bolts provide a secure and stable attachment, preventing wobbling or loosening of connected components. - Available in various lengths, allowing you to choose the right size for your specific application. This customization ensures a proper fit for your project. - Hanger bolts are made of steel for strength and durability. This ensures that the connection remains stable and secure over time.
