

Side-Pull Magnetic Safety Gate Latch with Key

Product # PGLMK90

DESCRIPTION

Magnetic latch with lock

Magnetic latch with keyed-alike locks that can be used alone or as a replacement part on our safety gate latches. Simply remove the screw caps and screw into place.

ADVANTAGES AND BENEFITS

Keyed lock maximizes safety and security. Keyed-alike for convenience. Optional bases to increase clearance between pull latch and safety latch base.

Thread Type	M5

Disclaimer

Measures shown with an asterisk (*) have been converted as per your preference. These are not the official measures. To view the measures specified by the manufacturer, [click here](#).

APPLICATION

Safety barrier around a pool or terrace. Replacement part for our standard magnetic safety latches. Can be installed on other surfaces.

INCLUDED PRODUCT(S)

Set includes 2 keys, 2 lock bases, 4 M5 x 6 mm screws and 4 M5 x 18 mm screws

IMPORTANT INFORMATION

The use of a magnetic latch with a glass door hinge maximizes safety and reduces access to the water. These components help prevent drowning, but do not replace close surveillance.
