DESCRIPTION

Straight Connector

Connector for round handrail that ensures stability in the installation of your railing projects.

This fitting is designed to connect two round tubes, which makes it possible to connect the handrails in a continuous line.

ADVANTAGES AND BENEFITS

Ideal for architectural projects such as staircases and glass, cable or rod balustrades. Can also be used for bar counter footrest applications. Available in several sizes

APPLICATION

A glue strand during assembly helps to solidify and better secure the connection between the components.

IMPORTANT INFORMATION

Be sure to set the product in a suitable material. Never use aerosol lubricant on this product. Maintenance: clean the product with a soft cloth and a non-abrasive soap or ammonia. The image is provided for visual reference purposes only. The product may differ from the illustration. Be sure to order the hardware before starting work. The manufacturer reserves the right to modify any product or information without notice; always follow the instructions provided inside the package. All drawings and technical documents show mounting examples that use hardware from different manufacturers. The customer can not make any claim as a result of the use of these documents. The company declines all responsibility for structural details related to a construction or project. Always entrust the execution of your work to qualified persons.

DISCLAIMER

The preceding information as well as any technical recommendation given in writing, verbally or based on tests is provided to the best of our knowledge. However, recommendations are non-binding and do not diminish your responsibility for determining the correctness of these recommendations and the suitability of the product for your particular purpose. The application, use or processing of our products as well as the production of products based on our technical recommendations are beyond our control and therefore exclusively your responsibility. Sales of our products are subject to our most recent General Sales and Delivery Conditions. Please note that Richelieu will not accept any returns or claims for unpackaged products.
